# Foreword

It gives me immense pleasure to present to you Nirmala College, Ujjain—a center of higher learning committed to academic excellence, ethical grounding, and holistic development. Rooted in the noble vision of the Diocese of Ujjain, our college upholds the values of integrity, inclusiveness, and service to society.

As an institution striving for continual growth, we are dedicated to fostering a vibrant academic culture that meets global standards while remaining deeply connected to our local heritage. Our educational approach is student-centric, with an emphasis on intellectual rigor, moral development, and social responsibility.

Over my 26 years in academics and administration—including my association with NAAC, UGC, and various academic bodies—I have witnessed how transformative education can be when combined with the right values, vision, and guidance. Nirmala College stands at this very intersection, offering our students not only degrees but direction, not just knowledge but wisdom.

Our college is enriched by the legacy of the Diocese of Ujjain's premier educational institutions, including St. Mary's Convent School, St. Paul's Convent School, and Nirmala Convent School. Together, we represent a commitment to quality education that empowers individuals to contribute meaningfully to society.

With a team of dedicated faculty, robust academic programs, and a supportive learning environment, we invite you to become a part of this transformative journey at Nirmala College, Ujjain.

Warm regards,  
Dr. Kirti Diddi  
Principal  
Nirmala College, Ujjain

# Introduction

Nirmala College, Ujjain stands as a beacon of academic excellence and value-based education in the heart of Madhya Pradesh. Established and managed by the Diocese of Ujjain, the institution is committed to nurturing intellectual growth, character development, and a spirit of service among its students.

Guided by the vision of holistic education, Nirmala College is part of a distinguished lineage of educational institutions under the Diocese of Ujjain, which includes the renowned St. Mary's Convent Schools, St. Paul's Convent Schools, and Nirmala Convent School—all of which have long been symbols of quality education and moral integrity in the region.

With a focus on academic rigor, ethical values, and community engagement, Nirmala College offers a supportive and inclusive environment where students are encouraged to discover their potential and shape a future of purpose and promise.

Join us in the journey of transforming lives through education.

## *We Offer*

# Master of Business Administration

✓ *Eligibility* : Graduation

🕒 *Duration* : 2 Years

An MBA is a graduate-level degree focused on developing skills in business management, leadership, finance, marketing, operations, and strategic thinking. Programs often offer specializations such as HR, Finance, Marketing, Entrepreneurship, and more.

## Bachelors of Business Administration

✓ *Eligibility : 12<sup>th</sup> Standard*

*Duration : 3 Years*

The Bachelor of Business Administration (BBA) is a popular undergraduate degree designed to provide students with a strong foundation in business principles and practices. It typically spans three to four years, depending on the country and university.

## Bachelors of Science(B.Sc.) - Microbiology

✓ *Eligibility* : 12<sup>th</sup> Standard - Biology

🕒 *Duration* : 3 Years

A Bachelor of Science (B.Sc.) in Microbiology is a 3-year undergraduate degree focused on the study of microscopic organisms such as bacteria, viruses, fungi, algae, and protozoa. It explores how these microbes interact with humans, animals, plants, and the environment.

*Diverse Careers:* Work in pharmaceuticals, research labs, hospitals, food industry, environmental agencies, or pursue higher studies like M.Sc., Ph.D., or professional courses.

## Bachelors of Science(B.Sc.) - Plain

✓ *Eligibility : 12<sup>th</sup> Standard*

🕒 *Duration : 3 Years*

A Bachelor of Science (B.Sc.) Plain is a 3-year undergraduate degree that offers a broad foundation in science subjects, typically allowing students to study a combination of Physics, Chemistry, and Mathematics or other related subjects like Botany, Zoology, or Computer Science. It is ideal for students who want a well-rounded science education without specializing too early.

- *Solid foundation for higher education like M.Sc., MCA, or professional courses.*
- *Opportunities in research, education, civil services, labs, and private sector jobs.*

Admissions Enquiry : 70495 11777, 98265 27926, 98265 87793

# Master of Commerce

✓ *Eligibility : Graduation*

🕒 *Duration : 2 Years*

The Master of Commerce (M.Com.) is a 2-year postgraduate degree focused on advanced studies in commerce, finance, accounting, economics, and business management. It is designed for students who want to deepen their understanding of financial and economic systems, and it prepares them for academic, research, or professional careers in commerce-related fields.

- *Opportunities in research, education, civil services, labs, and private sector jobs. Enhances career prospects in corporate, banking, finance, and public sectors.*
- *Builds a strong base for competitive exams (e.g., UGC NET, CA, CMA, CS, UPSC).*
- *Acts as a stepping stone for Ph.D. or research-oriented careers.*

Admissions Enquiry : 70495 11777, 98265 27926, 98265 87793

# Bachelors of Commerce

✓ *Eligibility : 12<sup>th</sup> Standard*

🕒 *Duration : 3 Years*

The Bachelor of Commerce (B.Com) is a 3-year undergraduate degree program that provides a comprehensive understanding of commerce, finance, accounting, economics, and business law.

- Builds a strong foundation for careers in finance, accounting, banking, taxation, and management.
- Opens doors to higher studies like M.Com, MBA, CA, CMA, CS, and other professional courses.
- Prepares students for various competitive exams and government sector opportunities.

## Post Graduate Diploma - Computer Application PGDCA

✓ *Eligibility* : Graduation

🕒 *Duration* : 1 Years

The Post Graduate Diploma in Computer Applications (PGDCA) is a 1-year postgraduate diploma course designed to provide students with a strong foundation in computer science and its applications in various fields. It is ideal for graduates from any stream who want to develop IT and programming skills for professional use.

- Enhances technical skills and improves job opportunities in the IT sector.
- Helps in career growth for those working in administration, education, banking, or data entry roles.
- Acts as a stepping stone to advanced IT careers or further studies like MCA (Master of Computer Applications).

Admissions Enquiry : 70495 11777, 98265 27926, 98265 87793

## Post Graduate Diploma - Guidance and Counselling PGDGC

✓ *Eligibility* : Graduation

🕒 *Duration* : 1 Years

The Post Graduate Diploma in Guidance and Counselling (PGDGC) is a 1-year postgraduate diploma course aimed at training individuals in the principles and practices of educational, career, and personal counselling. It is ideal for teachers, educators, social workers, and psychology graduates who wish to support others in their personal, academic, or professional development.

- Offers professional skills for those already in the education or social service sectors.
- Acts as a foundation for further specialization in counselling psychology or mental health support.
